Outing Reports

24 July 2022 – “GhostBlasters” Gaslight Theatre Show

On July 24th, 54 Model A members and guests congregated at a haunted Gaslight Theatre for an evening of pizza, popcorn, bad puns, funny costumes, and for some of us, an ice cream sundae!

This year we watched the creepy production of: GHOSTBLASTERS (I Ain’t Afraid of Bad Jokes)!

Our heroes, Zack and Wally, are studying some unusual phenomenon that leads to the discovery of paranormal activity occurring in Metropolitan City. Not only have they discovered ghosts, but

Happy Birthday!

they learn of a 300-year old prophecy concerning Igor, an evil spirit, who will return, and what else, take over the world with the assistance of his other worldly minions! Booooooooooooo!

The GhostBlasters save the day, allowing good to triumph over evil, and all is well in the end. YAAAY!!!

The only thing different this year was that our heroes were so busy saving the world, they had no time for romance!

None of the characters found love in the midst of evil creating chaos. Oh well, maybe next year! As always, a good time was had by all. It was a fun show with lots of bad puns and silly jokes. Just the ingredients for a laugh-filled night!

Laura and I hope all enjoyed the show as much as we did organizing

the event. We wish to sincerely thank all who attended. We hope we see you and many more next year for another fun evening at the Gaslight Theatre!
