# The Gaslight Theatre - July 2024 Outing

## Spider Guy

On July 28th, 54 Model A Club members and guests congregated at the Gaslight Theatre for an evening of pizza, popcorn, bad puns, funny costumes, and, for some of us, an ice cream sundae. (Note: once again this was a Model A outing not a Model A's outing as there was only one Model A in attendance. In the recent past Gaslight outings, mine was the one in attendance, but this year I thank the Allison's for attending in their Model A truck.)

This year we watched the super hero production of Spider Guy. A student at Excelsior Junior College gets bitten by a radioactive spider creating our hero Spider Guy, just in time to combat the evil Green Gremlin and save Center City. Of course, our hero not only defeats the villain and his minions but finds love with the new student, Mary Lou. It must have been love as she kissed him while he was hanging upside down! As is the case in all Gaslight presentations, however, in the end, good triumphs over evil and defeats the villain, the hero and girl find love with a kiss, and all ends well.

As always, "a good time was had by all". It was a fun show with lots of puns, and lame jokes and very funny moments. Just the ingredients for a laugh filled night. Laura and I hope all enjoyed the show as much as we did organizing the event. We wish to thank all who attended. We hope we see you and many more next year for another fun night at the Gaslight Theatre.
