# Holiday Banquet

There were approximately 80 people that attended the banquet. It was a beautiful day. I don't have a clue how many cars showed up after I did, but hopefully there were quite a few.

Bernice Edwards did the blessing of the food and the blessing of all the people that were able to show up for the banquet. We had the opening comments, and the general meeting was the election of officers and the installation of the officers and the Board of Directors. We went on to a recap of the outings that we had. There were small trophies that were given out for recognition for all the people who have contributed to making everything a success this year.

We had one award that was given to Rey Brown for his contributions and making the newsletter a success and all he puts into it and there's a lot, believe me. The Sam Doty award went to Andy Neal, Jr. for recognition of his great driving ability and how to snatch a beanie off the ground doing less than 20 miles an hour.

At this point the serving line began and everyone had plenty of food. A lot of people were able to have seconds. A big thanks goes out to everyone that contributed towards this awesome Holiday Banquet. The meeting broke up about 1:30.

I think everyone had a very good time.

# GENERAL MEETING MINUTES

## General Meeting:

Tucson Chapter of the Model A Ford Club of America

December 15, 2024

Our banquet was held at the Rolling Thru Time Auto Museum this year. President Richard Kunz provided an introduction and thanked Joe and Kelly Findysz for their generosity. Bernice Edwards provided a prayer prior to our Mexican dinner catered by Little Mexico Restaurant.

President Kunz presented the 2025 Officers and Board of Directors for Club approval; the motion was approved by the Club. Several members received awards for their support and years of service. Rey Brown was given a clock and a Yeti Mug with a Model A emblem. Andy Neal, Jr. earned the Sam Doty Award for his service to the Club this year.

Committee and Outing Chairperson were recognized. Suggestions for next year are welcomed.

A January 2025 refreshments volunteer is needed. Dillinger Days, 18 January 2025, we need about five more cars. Shorty Allison noted that our Club celebrated its 60<sup>th</sup> anniversary this year. President Kunz recognized the Museum's outstanding support to our Club. Members lost this year were remembered; Donald Vagaski, Ernest Williams, and Fritz Mietzner.
