Dillinger's Day

This year's Dillinger Day brought a great turn out with a mixture of antique vehicles, of which the majority were parked in the Maynards' parking lot. Two Model A's were parked in front of the Hotel Congress. Jeff also brought his Model A police car the night before for the Speakeasy event. The day started out at about 30° and went to about 67°, giving all attendees a very nice sunny day. There were three reenactments with Fast Eddie (Andy Neal Jr as the driver). A special thank you to Andy Neal Jr. for the use of his "getaway car" and driving, and to Jeff Eppley for bringing his Model A police car. An eye-catching feature was one of the historic fire trucks brought by Chuck Thim and Ted Gear that was parked on Toole in the loading space. Thanks to Rey Brown and Sandy Feierstein for coordinating the parking in the Maynards' parking lot. Thank you all for bringing out your vehicles in support of the Tucson Model A Club. We are invited back next year.

Submitted,

Ray Feierstein
