The Gadsden Pacific Toy Train Operating Museum

Many Model A and Model T members met at BJ's Restaurant for lunch at 11:30. There were approximately 40 members who ordered diverse items for lunch. After lunch the group arrived at the Toy Train Museum on Price Rd., where we had a total of 55 people. Museum docents were on hand to answer any questions that were posed. Members took their time viewing the exhibits. The amount of work that went into each exhibit was extraordinary, with buildings, homes, stores, people and all their surroundings resembling real towns and cities. Outside the museum was a caboose we toured. All in all a good time was had by all. There were 12 model A's and 4 model T's.
